

Hello!

My name is Beth Rigney, and I am the Media Director with BGM. We are thrilled to have you on our team, serving with us in Jonestown, MS soon!

We know that many people will want to take pictures during the trip—maybe you have already designated a media person on your team. BGM would love to have access to pictures that document your time serving in Jonestown. Our main office in Ridgeland, MS would love to see your team's experience, and we may use some of the pictures for our media needs, such as social media postings. Let me know how we can tag your church or organization.

Please discuss and share this information with your team:
